

30 DAY DETOX

WITH DR. JIM BOB HAGGERTON

Speaker 1: (00:00)

Healthy detoxification is such a key component to health and allowing our bodies to do what they're created to do. When we get toxins in, if we're not able to get those out, if our body's not working well, it can lead to sickness and disease and this 30 day detox program, you're going to learn how to do detoxification well. How do use supplements and diets and be able to aid the body of doing what is created to do. I hope you'll join me. Click below.
